

Speaking of Science (SoS)
A Board of Regents/National Science Foundation EPSCoR
Science & Engineering Speakers Bureau

Post-Presentation Evaluation Form

Thank you for your participation in the Speaking of Science program. SoS was developed to further public awareness of research and development throughout the state of Louisiana and to spark the interest of students in the science and engineering disciplines. To serve that mission better, we need your feedback.

Please complete this questionnaire and forward it to:

If no, please explain. _____

Would your organization consider utilizing SoS services in the future? *Yes* _____ *No* _____

If no, please explain. _____

Comments/Suggestions: _____

SoS Post-Presentation Evaluation Form, page 2

The National Science Foundation is committed to providing equal opportunities for participation in its programs and promoting the full use of the nation's research resources. To aid in meeting these objectives, the NSF collects information on the gender, race, ethnicity, and disability status of individuals participating or served by NSF-sponsored activities.

The Board of Regents must periodically report its progress in this area, including the SoS program. Please help us collect this data by providing information regarding the SoS presentation audience.

Gender	American Indian or Alaska Native	Asian	Black or African American	Hispanic or Latino	Native Hawaiian or Pacific Islander	White, Not Hispanic or Latino	Total
Male							
Female							
Total							

Disability Status:

The audience included individuals with the following disabilities (please provide numbers):

_____ Hearing Impairment

_____ Visual Impairment

_____ Mobility/Orthopedic Impairment

_____ Other Impairment

Thanks for your feedback!
