Program Adjustments for Covid-19 for 2020-21

Due to the ongoing Covid-19 worldwide public health crisis, Speaking of Science (SoS) will operate under the following conditions based on the phased approach to reopening recommended by the White House and set forth by the Governor of Louisiana. Decrees by the Governor of Louisiana supersede any guidelines set forth in this document.

Phase One: Virtual speaking engagements only; travel to and from face-to-face speaking engagements will not be supported.

Phase Two: Virtual speaking engagements only; travel to and from face-to-face speaking engagements will not be supported.

Phase Three: Virtual and face-to-face speaking engagements will be supported; travel to and from face-to-face speaking engagements will be supported. Crowd size limitations set forth by the Governor of Louisiana must be observed.

Note: Members of the SoS Speakers' Bureau maintain the right to decline speaking invitations.
