III. PROCEDURE AND DEADLINES FOR SUBMISSION OF NOTICES OF INTENT & PROPOSALS

A. NOTICES OF INTENT

Before a full proposal will be accepted, the applicant must first submit a completed notice of intent (NoI) for each potential proposal. This brief document provides preliminary information about the project. Components of the NoI are a cover page requesting the title, investigator, amount requested, and other general information, and a narrative project summary that provides an overview of the project. There are no restrictions on the length of the project summary, though it is recommended that the document not exceed one page.

ATLAS notices of intent must be submitted electronically, via the Louisiana Online Grants Administration Network (LOGAN), by 4:30 p.m. Central time on **Wednesday, October 13, 2021**. LOGAN may be accessed at <https://web.laregents.org> by clicking “LOGAN” in the menu at the top of the page. Because institutional approval is granted by the submission of the proposal to the Board through each institution’s Office of Sponsored Programs, signatures are not required.

NOTE: All rules, regulations, and limitations in the RFP for research proposals (e.g., limitations on the maximum amount of funds that may be requested per annum, the number of proposals that may be submitted, etc.) also hold true for notices of intent.
