Supervised Undergraduate Research Experiences (SURE)

Answers given by Board of Regents staff in response to questions in response to the SURE Request for Applications (RFA) as of **November 8, 2021**.

Proposals Due: November 30, 2021

Question:

1. For the student who has been funded by SURE (but not currently funded), can he or she still apply it again?
2. As shown below, the faculty should not be funded by CIMM or LAMDA? I think that it should be LAMDA, right? If so, I should not be eligible for this, because I have two current LAMDA projects now.

Answer:

1. Yes, the student is eligible to apply again.
2. Correct. It should read the faculty should not be funded by LAMDA.
