GRANT PROGRAMS: DIRECT SUPPORT

BoRSF GENERAL ELIGIBILITY & FUNDING

- All public postsecondary ed campuses, plus private campuses that are members of LAICU, are eligible
- BoRSF supports all academic and workforce disciplines – check restrictions for individual programs
- Most grant projects require faculty leadership and are submitted via the Office of Sponsored Programs or its equivalent; endowments are submitted by the campus and have different pre- and post-award requirements
- Funding is public, so subject to disclosure; most documentation submitted to BoR, including proposals, is public record

DEPARTMENTAL ENHANCEMENT

- Program Goal: Enhance the capacity and quality of high-priority departments and academic units
- Eligibility: All academic disciplines on a rotating basis (one year on, one year off); targeted workforce eligible every year
- Grant Types:
 - **Comprehensive**: Large-scale awards to move the unit in a holistic way toward strategic goals. Up to five years, up to \$1M total funding, one proposal per unit
 - **Targeted**: Smaller-scale awards to provide focused enhancement of a critical unit priority. One-year award, up to \$200,000, no limit on proposals per unit

TYPES OF PROJECTS

- Infrastructure (non-capital): Buy tools to create/expand capacity
- New Frontiers: Pilot and implement new initiatives
- Enhancement: Advance/change directions of work already in progress
- Faculty Development: Learn new skills, new approaches
- Typically Disallowed/Undesirable Uses: Additional compensation (overload, etc.) for LA faculty, capital expenses, standard operating costs, supplanting existing resources, restoring budget cuts

BOR/SREB DOCTORAL STUDENT SUPPORT

- Program Goal: Build diversity in the professoriate by recruiting, retaining and graduating URM PhD students
- Eligibility: Campus graduate schools or central offices for graduate training
- Partnership with SREB: Membership in SREB's Doctoral Scholars Program for all appointed students; appointees must meet SREB eligibility requirements
- Funding: Annual provision of \$10,000 student support + \$5,000 SREB DSP membership for each student + \$2,500 in year 1 for faculty mentors to attend DSP Institute; institutional match of \$10,000 additional direct support per student required
- Duration: 3 years

SUCCESSING IN BoRSF COMPETITIONS

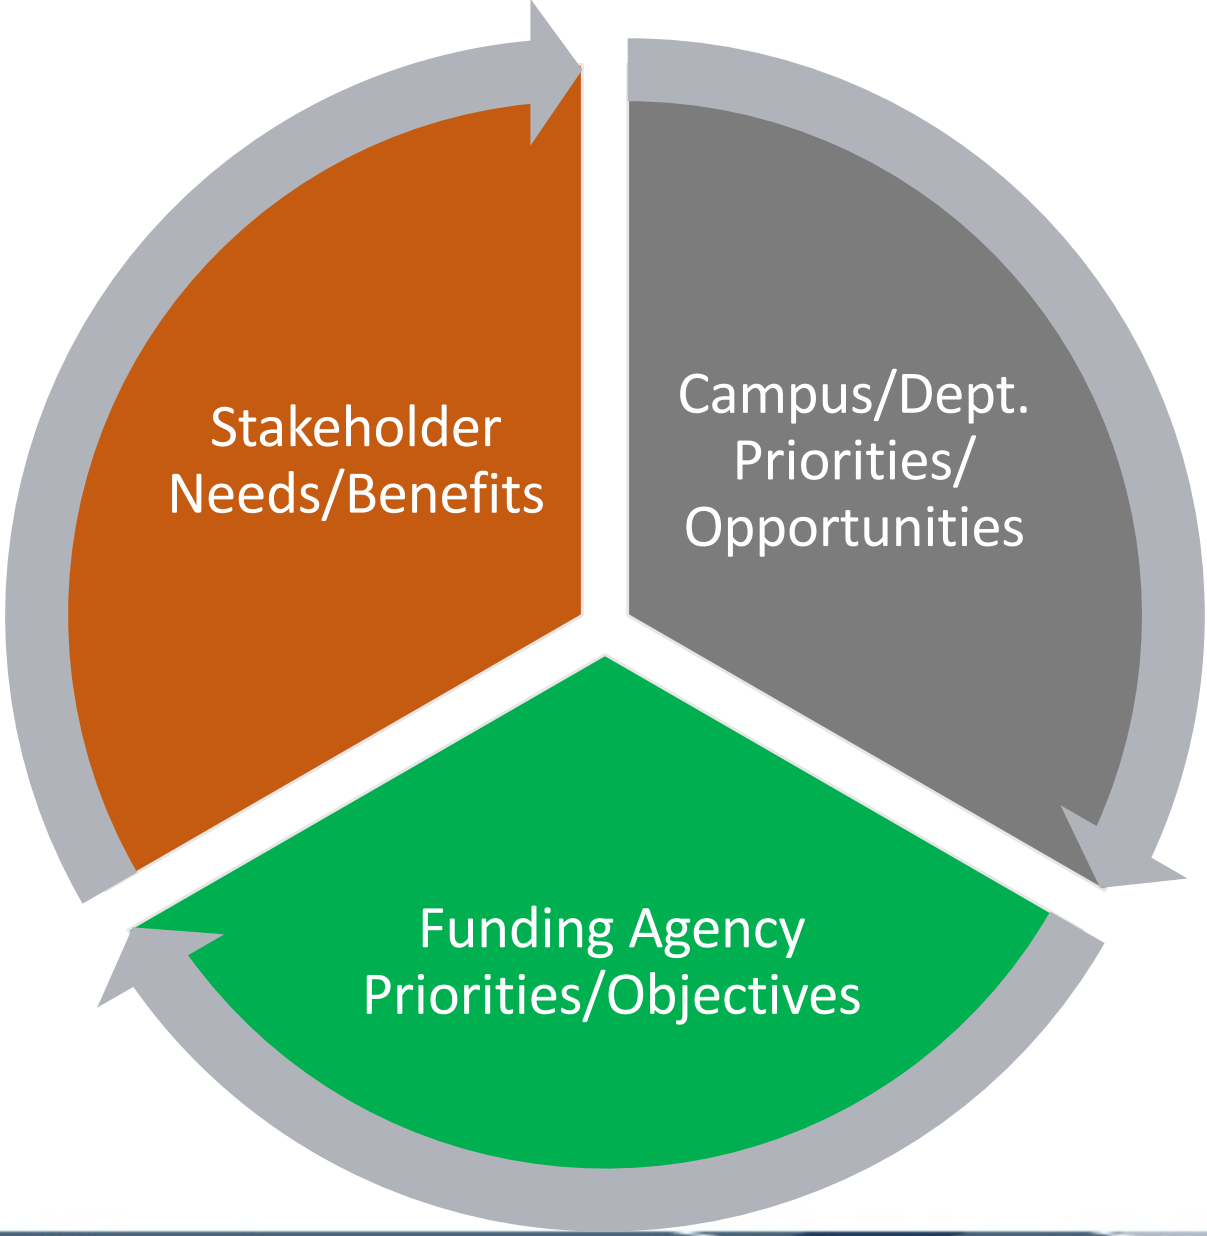

APPROACHING A HIGHLY COMPETITIVE PROCESS

- Persistence – Apply early and often, learn from experience, listen to reviewer comments even when you disagree
- Awareness – Know what opportunities are out there, how competitive they are, what kinds of projects work; ask questions to program managers
- Obedience – Follow the rules
- Empathy – Understand what every party to the transaction wants and needs

BALANCE AMONG THE ELEMENTS

A GOOD PROPOSAL & WORKPLAN

- **Before Funding:**
 - **Align the Idea**
 - Department/unit strategic priorities
 - Campus role, scope, mission & priorities
 - Funding source goals
 - **Document and support arguments for need and value**
- **During the Project: Specify how work will proceed, its impact over and after the grant, and what success will look like**
- **After the Project: Define consequences of project completion; present a plan for post-award sustainability (concrete, realistic, detailed plans)**

WRITING FOR EXTERNAL REVIEWERS

- Awareness of program goal, program guidelines, & scoring rubric
- Strong arguments rooted in the purposes, goals, & objectives of the funding
- Explanations of specific campus/dept./professional contexts and priorities
- Knowledge of the state-of-the-art in the subject area and how the project fits/advances
- All significant data presented with appropriate context to show need, impact, and long-term value of the investment for the campus and the State

WINNING THE COMPETITIONS

- Show clear and meaningful alignment with the RFP and campus/unit priorities
- Emphasize need, impact, quality, and sustainability (if appropriate)
- Anticipate questions, concerns, and challenges

POST-AWARD REQUIREMENTS

- Contract between BoR and campus/system
- Compliance with reviewer stipulations and match rate required
- Detailed budget and budget justification
- BoRSF payments in advance; multi-year projects have retainage
- Annual and final project and financial reports
- Major changes (project, budget, personnel) generally require BoR approval (specified in contract)
